

WHAT IS HHS SPEECH & DEBATE?

Impact

Heritage Speech & Debate

is a student-led program that competes in regional, state, and national forensic (speech & debate) competitions. Students learn research, argumentation, and critical thinking skills, as well as the confidence, adaptability, civic literacy, public speaking, collaboration, and leadership skills essential to any career. Our goal is to inspire and support youth members to become informed citizens while continuing their college and career pursuits to bring positive impacts back to our community.

Advocates

Heritage Speech & Debate

students are active public speaking advocates who participate in outreach events throughout the community. We strive to remove cost barriers and actively support all students on campus who wish to "find their voice" in Speech & Debate activities. In addition, we host a free annual bootcamp and hold workshops at local middle schools to increase awareness on the power of our voice. Our members use their speaking skills to advocate on issues that impassion them at various levels of government.

Award Winning

Heritage Speech & Debate

students win time and time again. In the 25-26 competitive season, our students won over 85 trophies across 15 tournaments. These include over ten 1st place/undefeated titles in regional tournaments, 1st place in national qualifiers, quarterfinalist in the UC Berkeley invitational tournament, one student qualifying to the State Championships, and three students qualifying to the National Tournament of Champions (top 2% in the nation). With your help, these numbers will only increase!

PROVEN SUCCESS: Our program has trained and produced the best young minds in our community, including our 2026 Valedictorian & Salutatorian, 2025 Valedictorian, and 2024 Salutatorian--all of whom were prominent Speech & Debate members. In the past three years alone, our members have been accepted into prestigious universities, including: Stanford, Harvard, Yale, Columbia, Cornell, and UChicago. Our alumni are now pursuing careers in law, politics, journalism, STEM, and more!

About Our Budget

Our program is reaching out to the community for support in the form of monetary donations and services to allow us to continue our operations and educational pursuits. Our budget of \$39,100 will enable us to meet our competition, development, and outreach goals for this year.

100% of our funds are raised by students as the club receives no monetary support from our school/school district. It's no small task!

Your generous donations will be used for:

- Team Shirts for Speech and Debate members
- Registration Fees for regional, state, and national speech and debate competitions*
- Transportation, lodging, and meals for students traveling to inter-regional/state tournaments
- Access to NSDA materials and memberships
- End-of-season awards ceremonies and community celebration events

***Registration Fees** range from \$15 per student for local tournaments to \$175 per student for national-level tournaments. With most students competing in multiple tournaments per season, competitions can be a costly endeavor for our families. Our program works hard to remove cost barriers to ensure that all students can perform at their greatest potential with as little financial limitations as possible. Your generous donations are essential to ensuring that all students, including those who may not be able to afford tournaments, can still succeed!

In the 25-26 season, the average yearly cost per student was **\$200**.

100% of all donations benefit our student members and education outreach programs provided by HHS Speech and Debate!
